Wennington & District WI

Welcome back everyone, lovely to be able to meet again. Our WI meets on the second Wednesday of each month at 7.30pm in the Wray Institute. We offer a warm welcome to anyone who would be interested in joining us.

At our September meeting we had an interesting talk on Lancaster Castle by Dr. Colin Penny. Our speaker for October is Dr. Juliet McGratton, the title is 'How to move more and age gracefully'.

Look forward to seeing you all.

Bridge House Tea Rooms – Classic Car & Bike Nights

We would like to take this opportunity to thank everybody who has kindly donated, on either car or bike nights throughout the summer. You helped raise over £300 for Wray Forest School and the Scout group. Over £400 for

the North-West Blood Bike Association and £600 for the Farming Community Network Charity was raised at our Tractor Show in September. This doesn't include all the donations given at these events, or on our just giving page for the Peter Foster Blood Bike Appeal which currently is around £2,400.

A huge thank you to you all for your kind donations.

Yours truly,
Jon Wright

THE PETER FOSTER BLOOD BIKE APPEAL - *Update*

It's been less than a month since, in partnership with North-West Blood Bikes we launched the Appeal and, thanks to you, we have made a fantastic start.

As of September 19th (only 17 days since the launch) the total stands at
£2,441.92

A **huge 'Thank You'** to everyone who has donated, we appreciate your generosity and support.

We have been given a target of £16,000 for a brand new motorcycle, liveried in the hi-viz colours of an official Blood Bike and that will carry the name 'Peter Foster' on its fairing. It is good to know that when this first 'Peter Foster' Blood Bike has had its day, its replacement will always be known as the 'Peter Foster'. The North-West Blood Bikers are volunteers who rely on public donations and give their time, with no cost to the NHS, to ferry life-saving products (blood, medicines, patient records, hospital equipment, baby milk, etc.) to hospitals and hospices throughout the North-West and beyond.

Peter was such a 'larger than life' character, know, admired, and even loved by so many of you that we invite you to help us raise the funds needed for what will be a fitting, and lasting memorial to him. Funds raised by his family, his friends in the village and surrounding areas, his ex-work colleagues, and his many many friends in the biking community.

Donations can be made on the 'Just Giving' page online, or in the collection boxes at the Tea Room, Wray Post Office, and the George and Dragon.

Once we have the funds, and the 'Peter Foster' Blood Bike, we will invite you to the 'Big Reveal', which will happen at a Wray Bike Night – hopefully sometime next year.

Thank you in advance for any donation you wish to give. We appreciate your generosity and support.

Best regards, Moira

Lune Valley Swimming Pool

Chris Green, the Hornby Pool Manager is leaving us at the end of September. The Trustees are currently conducting interviews and plan to have a new manager in place in October.

We all wish Chris the very best in his next venture and thank him for his endeavours over the past few years since the restored pool was opened.

Despite Covid19 closures and various setbacks the pool continues to recover and we have had amazing attendances over the summer holidays. Thanks to everyone for supporting our community pool. We recently achieved a record with lessons and visitors booking almost 500 admissions in a single week.

Hornby Pensioners

Nice To See You, To See You Nice is understating how great it was to see so many members at our informal AGM in September. Thank you all for coming and for providing such a super spread. It was lovely to catch up with you all, and some very useful decisions were made. Most notably, it was agreed that in future we should meet in the afternoon: events that include a meal will be held at lunchtime and speakers meetings will start at 2.30pm. The time for each event will of course be publicised in later editions of this newsletter.

Whist & Dominoes These will continue to be held in the Institute at 7pm on Saturdays, beginning on 2nd October. Arrangements will be as before, including a raffle for prizes brought by members on the evening.

A Note from Kath: October Trip Tuesday, 12th October, 10am start, picking up at all the usual places. This will be the last trip of what has been a very difficult year for us all, so let's hope it's a good one. Autumn tints (we hope!) in the Lakes. After talking to Bibby's, there is a slight change in the itinerary, in that we will go to Glenridding first for a short stop and then to Keswick for our second stop. Chris Bibby, who is the expert in these matters, says this will be the better way time-wise. Booking is at Hornby Institute on Tuesday & Thursday mornings between 10am & 12midday, or call me on 015242 21845 or 07597774681. Just so we know, Bibby's are still recommending mask-wearing on the coach. Regards to all, Kath.

Future Events In November we will be having a POTATO PIE LUNCH with entertainment and in December our CHRISTMAS LUNCH PARTY also with entertainment. Full details to be included in future editions of this newsletter.

Membership We are not charging fees for membership this year. Eileen will be collecting for 2022 as usual in the New Year.

Lots to look forward to! In the meantime, take care and stay safe.

Hornby Lunesdale Probus Club

Hornby Probus Club was pleased to meet at the Hornby Institute for the first time for 18 months and able to restart its programme of entertaining and informative talks.

During September we enjoyed two very impressive speaker presentations. The first by Siobhan and Martin of Miles-Moore Ceramics, being a review and demonstrations of their award winning and highly creative ceramics business and later in the month Dr. Andrew White guided us through the impact of the English Civil War on local communities.

The programme continues in October when the following sessions are planned:

Monday 4th October: Hornby Castle the first 900 years. Sue Bull has promised some new revelations.

Monday 18th October: From Rhode Island to Bermuda via Cuba. A yachting tale from Andy Crossley.

On the social side – The club is once again planning to visit Liverpool for the Liverpool Philharmonic 'Spirit of Christmas' Concert on Saturday 18th December. Members, guests and friends all welcome.
