## THE PETER FOSTER BLOOD BIKE APPEAL

After all the restrictions of the pandemic, I'm excited to tell you that now, in partnership with North-West Blood Bikes, my family and I are launching 'The Peter Foster Blood Bike Appeal' that will go live on the last Wray Bike Night of this year, September 2<sup>nd</sup>.

We have been given a target of £16,000 for a brand new motorcycle, liveried in the hi-viz colours of an official Blood Bike and that will carry the name 'Peter Foster' on its fairing. It is good to know that when this first 'Peter Foster' Blood Bike has had its day, its replacement will always be known as the 'Peter Foster'. The North-West Blood Bikers are volunteers who rely on public donations and give their time, with no cost to the NHS, to ferry life-saving products (blood, medicines, patient records, hospital equipment, baby milk, etc.) to hospitals and hospices throughout the North-West and beyond.

Peter was such a 'larger than life' character, know, admired, and even loved by so many of you that we invite you to help us raise the funds needed for what will be a fitting, and lasting memorial to him. Funds raised by his family, his friends in the village and surrounding areas, his ex-work colleagues, and his many many friends in the biking community.

Donations can be made on the 'Just Giving' page online:

<https://www.justgiving.com/crowdfunding/peter-foster-bloodbikeappeal>

or in the collection boxes at The Tea Room, Wray Post Office and The George and Dragon (cheques payable to: North West Blood Bikes (Lancs & Lakes))

Once we have the funds, and the 'Peter Foster' Blood Bike, we will invite you to the 'Big Reveal', which will happen at a Wray Bike Night – hopefully sometime next year.

Thank you in advance for any donation you wish to give. We appreciate your generosity and support.

Best regards, Moira

## **Lune valley Swimming Pool News**

Whether its going for Olympic medals or learning to save lives the Lune Valley Swimming Pool could be the place to start. With our excellent team of teachers, trainers and support staff everyone can take their first strokes towards Olympic glory, safe swimming or just enjoy healthy fun for all the family.

The lovely family-friendly pool in Hornby has had its share of successes and despite Covid restrictions we have almost 400 people swimming every week. The family swims continue to be very popular and we are offering more swimming opportunities including Saturday morning lessons and other sessions in the future.

We now have an online booking system in place and timetables and procedures are under constant review. During down-time we manage a programme of replacing worn out equipment and pool plant to ensure your pool is always in the best possible condition. As ever, we are grateful for the continuing support of the local communities and endeavour to provide a broad range of opportunities for residents and visitors to the facility throughout the year.

Please check our Facebook pages for further details of all our courses and family fun sessions. We'd love to see you.

### **Hornby Probus Club – Ceramics and Civil War!**

Hornby Lunesdale Probus Club begins its new season of talks and social activities in September. On this occasion the first series of talks will have a distinctly local nature.

On **Monday September 20<sup>th</sup>** we will welcome back **Dr Andrew White** who will be telling us about the Civil War in Lunesdale. A sure-fire fascinating local history presentation.

## **Hornby Pensioners**

**Fingers Firmly Crossed** – At our recent committee meeting we planned monthly events up to the end of 2021. Details for November and December will be publicised in later editions. It is lovely to be looking forward to a near-normal calendar of future activities.

**14<sup>th</sup> September.** Informal Catch-up AGM followed by a Jacob's Join Tea in Hornby Institute, **starting at 2pm**. Please note the change of time. At the meeting we will be deciding whether future events should be held in afternoons rather than evenings. As usual, members are requested to bring a small contribution to the refreshments.

We will, of course, be following any guidelines laid down by the government and the Institute to ensure the safety of our members. If you have any concerns about this, please contact me (Annie) on 015242 21100.

**12<sup>th</sup> October.** Autumn Tints trip to end our tripping year! As usual on this trip, it will, hopefully, be a colourful drive with two shortish stops. This year we'll travel to Keswick for the first stop, then on to Glenridding for the second. It will be a **10am start**, picking up at the usual places, and back around 6pm. Cost is £6 for member and £8 for non-members. Booking in Hornby Institute Tuesdays and Wednesdays 10am to 12 noon from 15<sup>th</sup> September. Please can you pay when you book. Thank you. Regards, Kath.
